Rambler Media Ltd. ("Rambler"), operating one of Russia's most popular internet brands, is pleased to announce that Rambler is once again the official partner of the Moscow International Film Festival ("MIFF") as it celebrates its 30th anniversary. To commemorate the event, which will be held between the 19th and the 28th of June, Rambler has created a unique website dedicated to the festival and featuring key highlights of the event: <http://mmkf Rambler.ru>

Rambler Media has been the official partner of the MIFF, one of the oldest and most prestigious film festivals in the world, for several years.
